PERMISSION FOR STUDENT TO LEAVE SCHOOL CAMPUS

I give permission for my child(ren), _____, to leave CCS after school.

This permission form gives my child(ren) the right to leave without supervision and absolves CCS and its staff of responsibility once they leave the building.

It is also understood that my child(ren) will NOT be allowed to re-enter the building for any reason including joining the After Care program.

I understand that CCS reserves the right to nullify permission to leave, in said manner, if my child(ren)'s behavior at a nearby business is inappropriate and a poor reflection on CCS.
